

Cotlands

Igniting potential through play

13 June 2017

Attention: Mr Dave Keeling

Dear Dave and Marine Forum delegates

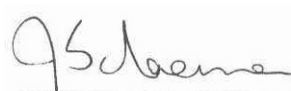

COTLANDS DONATION

We would like to take this opportunity to thank all the Marine Forum delegates for the generous donation of R15 015 received on 12 June 2017.

In South Africa, the potential of millions of young children is lost due to our inability to provide families access to quality play-based early childhood education programmes. The early childhood space requires innovation with regards to how programmes are delivered. Playgroups supported by toy libraries provides an alternative model to reach marginalised children. With your support, we are able to provide over 11 000 vulnerable children access to these high impact early learning play-based programmes.

Once again I thank you for your ongoing generosity towards changing young lives. We value your support to Cotlands and the children we serve.

Kind regards

Jackie Schoeman
